Special Events

Events are organized by The Special Events Committee, composed of five Event Co-ordinators who are members from within the club. Members may sign up for events at monthly general meetings or by contacting the Event Co-ordinator.

Please note that Special Events are intended primarily for our members, spouses and partners. Non-members are invited to attend as space allows or when members who will attend invite them to join the group. Payment by cheque/cash is required at the time of sign up. For cancellation of sign up or for refunds, please read the note below.

PLEASE NOTE!

When signing up for events, members should be aware that they are not officially registered for the event until they have paid the cost by cheque, payable to "Probus Club of Pelham" or cash and given to the Event Co-ordinator. When the posted deadline/or capacity has been reached, additional members will not be accommodated.

CANCELLATIONS:

If members are unable to attend an event for any reason, he/she should contact the Event Co-ordinator, for that activity, to ask if there is a waiting list so that their spot can be filled by another member. If there is a wait list, the Event Co-ordinator, will contact the next person on the wait list to notify him/her of the opportunity. The Event Co-ordinator will ensure that payment is exchanged. For every Special Event a complete list of attendees is important for insurance reasons.

TRIP CANCELLATIONS:

If a trip is cancelled owing to lack of interest or for other causes, members who have already registered and paid will receive full refunds.
